If you love modern design, Jurys Cork Hotel is the hotel for you. And, if you just love the luxury of crisp linens, big bathrooms, fine dining and impeccable hospitality, then you will love this luxury hotel in an ideal but unlikely setting.

At the bend in the river, just downstream of The Weir, sits Jurys Cork Hotel, a sophisticated urban retreat in tranquil surroundings. Here, business guests work and unwind, and visitors to the city enjoy their break in complete comfort. They experience bold, contemporary style, outstanding facilities and the mouth-watering menu of a top quality riverside bistro and bar.

Each of the 182 guest rooms and suites is a small oasis of relaxation. Muted colours, modern fabrics, simple lines and spectacular views soothe the senses, while entertainment systems, Playstations, complimentary broadband access, fair call phone prices, voicemail and a laptop safe are featured in all rooms. Downstairs, you can dine at the chic Weir Bistro and Weir Bar, pamper yourself at the day spa, or invigorate at the leisure centre.

Our dedicated executive floor offers eight superbly equipped meeting rooms, with the largest accommodating up to 150 delegates. Guests can also enjoy round-the-clock access to our business centre, while our fun team-building packages will keep everyone on their toes. Right here by the river at Jurys Cork Hotel, you will find bold contemporary furnishings, impeccable dining and the warmest of welcomes in a truly unique location.
