### **The Normandy Hotel Transformed**

*A luxurious urban haven in the heart of Washington D.C. is unveiled*

**WASHINGTON (February 23, 2009)** – The Doyle Collection is pleased to announce that following an extensive renovation, **The Normandy Hotel** has reopened its doors for trading with a chic and contemporary new look. Set in the heart of Washington’s prestigious Kalorama neighborhood, The Normandy Hotel, a boutique property, features 75 guestrooms in an intimate and luxurious setting.

Located at 2118 Wyoming Avenue in Northwest Washington, The Normandy Hotel is a haven of comfort and convenience for business and leisure travelers. Refined services and amenities include complimentary high-speed Internet access, in-room espresso machines, cable television, refrigerators, voicemail, and ergonomic work desks.

The hotel’s sophisticated design draws inspiration from its location in Kalorama, which literally means “fine view” in Greek. Chic design details and global upscale brands such as B&B Italia, George Smith Furniture, Porta Romana, and GP & J Baker add a contemporary and sophisticated edge to The Normandy Hotel.

The Normandy Hotel features a breakfast lounge, mid-afternoon complimentary tea and coffee, and on Tuesday evenings, a wine and cheese reception for all guests. The hotel’s convenient location allows guests easy access to Washington’s main business districts as well as several cultural and historical sites.

The Normandy Hotel is a member of The Doyle Collection, a select group of urban havens in six major international cities throughout Ireland, the United Kingdom and the United States. All eleven hotels have a contrasting character yet share a single aim, to provide guests with extraordinary hospitality and expert service in luxurious and contemporary surroundings.
