The Normandy Hotel offers guests a corner of Washington D.C. that they can call their own. Welcoming and intimate, the hotel is a haven of comfort and convenience for business and leisure travelers. Refined services and amenities delivered with a personal touch will delight guests, while the 75 bedrooms include complimentary high-speed Internet access, espresso machines, cable T.V., refrigerators, voicemail, work desks and lamps.

Ideally situated adjacent to Rock Creek Park with access to the capital's main business areas, the hotel is ideal for business travelers, offering complimentary high-speed Internet access and WiFi services. The embassy district holds rich pickings for the culinary connoisseur and there is something for every food-lover among our recommendations. Start your day with a hearty morning meal in our Breakfast Lounge, or take your pick from a diverse range of restaurants nearby. Join us mid-afternoon for a reviving complimentary tea or coffee in the Lounge, and on Tuesday evenings for our complimentary wine and cheese reception.
