The Doyle Collection

The Doyle Collection is a carefully curated collection of eight Irish family-owned luxury and urban hotels located in superb central locations in London, Dublin, Washington DC, Cork and Bristol.

Each hotel has a strong identity that is closely connected to its location and is unique in the way that has brought a cultural slice of its city into the fabric of the building and the guest experience.

What binds our hotels together is the Doyle service ethos - a real warmth and thoughtfulness that stems from being a much loved family business.

Within The Doyle Collection, we believe that the difference between something good and something great is in the attention to detail. Our definition of success is for our guests to feel that our hotels are more akin to a home or a private members club – and therefore want to return again and again.
