From the dramatic Christmas windows on Patrick Street to the stylish backdrop of The River Club, the visual merchandising team at Brown Thomas have turned their magic wand and stylish eye to The Winter Terrace at The River Club, creating a winter wonderland on the banks of the Lee.

Drawing inspiration from an Alpine lodge, the team from Brown Thomas set about recreating the most magical space with lush festive foliage, mistletoe, frosted wood and glistening snow scenes reminiscent of a romantic snow-capped hideaway. The Winter Terrace at The River Club is the perfect spot for an après work drink or a Christmas get together with friends and family. Relax in the twinkly glow of Nordic lanterns and sink in to cosy sheepskin and woollen throws, providing a gorgeous setting for curling up and catching up with friends over cool cocktails from the bar.

Continuing the Alpine lodge theme that little bit further, The River Club have partnered with World Class Drinks to create three bespoke cocktails with an Alpine twist to enjoy as you sit back, relax and take in the theatre of The Winter Terrace.

Warm up with a Log Fire made with Roe & Co. Blended Irish Whiskey, dry fruit syrup and walnut bitters or opt for an Alpine Sour with Bulleit Rye, Amaro, fresh orange juice and clove tincture. For full festive frivolity order a Partridge in a Pear Tree, a clever twist on an Appletini made with Ketel One Vodka, fresh lime juice, spiced pear syrup and apple and rosemary tincture.

No need to fly this festive season, experience your own Alpine lodge at The Winter Terrace on the banks of the River Lee. With a bespoke winter cocktail menu, The Winter Terrace at The River Club runs from the 14th November to early January 2019.
