

PRESS RELEASE

Meadow Terrace at The River Club – A Beautiful Celebration of Irish Wildflowers in Partnership with Ketel One Botanical

Always looking to the future and with a strong sense of responsibility to the planet, the team at The River Lee, a Doyle Collection Hotel, have been busy transforming the terrace at The River Club into a whimsical haven of Irish wildflowers in partnership with Ketel One Botanical. Meadow at The River Club aims to celebrate the beauty and diversity of indigenous Irish wildflowers while being as sustainable and climate conscious as possible, building a whimsical garden escape in the heart of the city.

Working together with Fox Flowers, the team from The River Club have once again worked their magic on this riverside terrace, making it the hottest seat in town this summer. A canopy of colour hangs from the ceiling including cornflower, chamomile, poppies & lavender with silk flowers from their 2019 installation being reused in an effort to be sustainably conscious. In line with sowing the seed of sustainability, guests who purchase a bespoke Ketel One Botanical cocktail on the terrace will be gifted a wildflower seed bomb to take home a piece of the terrace to sow in their own garden.

Guests will enjoy the earthy fresh scent of rosemary, lavender and other herbs which will be dotted throughout the space in large planters. A dramatic slate feature wall covered in beautiful blooms will serve as a centrepiece for the space. The Meadow Terrace is a garden oasis on the banks of the River Lee - the perfect location for an after-work tittle with small plates or a leisurely weekend brunch catching up with friends in person.

A natural fit, Ketel One Botanical have partnered with The River Club for the Meadow Terrace and working with the team behind the bar have created a climate-conscious drinks menu which will be printed on recycled paper. Whether you like a cocktail to pack some punch or opt for a lower alcohol or non-alcoholic tittle, this list has everyone covered from the O² One, A Breath of Fresh Eire, Peachy Keane, Flower Power to a Citrus Grove – cocktails are priced from €10 to €13 with €1 from each cocktail going to the VITA Honey Project. VITA is an Irish charity supporting impoverished families to work in the sustainable honey industry in Ethiopia.

Make a night of it with the Brunch, Bubbles and Blooms getaway which includes an overnight stay with welcome bubbles on arrival

plus a guaranteed booking on the terrace the following morning before 12 for brunch and cocktails. Prices from €287 per night for two people sharing.

The River Club – Cork’s ultimate destination to eat, drink and be social.

Open 7 days from 11 until late, for enquiries please call 021 493 7772 or visit theriverclubcork.ie
