WEDDINGS AT THE BLOOMSBURY

The next chapter in your eternal love story

Refined. Romantic. Remarkable.

There is nothing quite as chic as a city wedding. Whether London is where you're both from, where your love story began, or simply where it feels most you - it brings a timeless elegance to your most important day that nowhere else quite can.

At the core of it all lies Bloomsbury: one of London's most iconic and storied neighbourhoods, long celebrated as the intellectual and creative soul of the city. This is the home of the legendary Bloomsbury Set, where writers, thinkers, and artists gathered - and where a certain nostalgia and romance remain in the air to this day.

In the beating heart of this extraordinary quarter, sits The Bloomsbury. Our exquisite hotel is where history, elegance and romance meet - a setting that feels both grand and intimate. With the beautiful Camden Town Hall located a short drive away, The Bloomsbury is the perfect place to raise a glass and celebrate with the people that matter most.

THE BLOOMSBURY

Your city. Your story. Your day.

At The Bloomsbury, we believe every wedding is one of a kind. From the first conversation to the final dance, our dedicated events team will be by your side, working with you to craft a day that is entirely, unmistakably yours.

We take care of everything, so you don't have to. That means bespoke menus created by our talented chefs, curated drinks packages to keep the celebrations flowing, and trusted vendor recommendations - from florists to photographers, drawn from years of bringing exceptional events to life. Whatever your vision, we'll help assemble the experts that make it happen.

When the celebrations draw to a close, retire to one of our chic, luxurious suites, designed to give the happy couple a send-off worthy of their big day.

A bride and groom are walking away from the camera down a hallway. The groom is on the left, wearing a dark suit. The bride is on the right, wearing a white wedding dress and holding a bouquet of pink and white flowers. The hallway has wooden floors and walls, and the scene is lit with warm, soft light. The text "Let's get hitched!" is overlaid in the center of the image.

Let's get hitched!

Our Venues

The Bloomsbury's collection of beautiful, versatile spaces provide a stunning backdrop at every turn - intimate enough to feel special, grand enough to make a statement. Rich in history, big in character and tailored to you.

Queen Mary Hall

Waterford crystal chandeliers cast their light across soaring ceilings and original architectural features, setting a tone of quiet, distinguished grandeur from the very first moment. Inspired by the classical vision of Sir Edwin Lutyens, Queen Mary Hall combines timeless charm with modern romance.

At its heart is a breathtaking custom wallpaper by Adam Ellis Studio: a dreamy English garden scene of blush skies, drifting clouds, and delicate birds and butterflies that float across the walls - ethereal, enchanting, and utterly unlike anywhere else.

Accommodating up to 100 seated guests, Queen Mary Hall also features a separate bar area and generous natural light throughout.

George V Hall

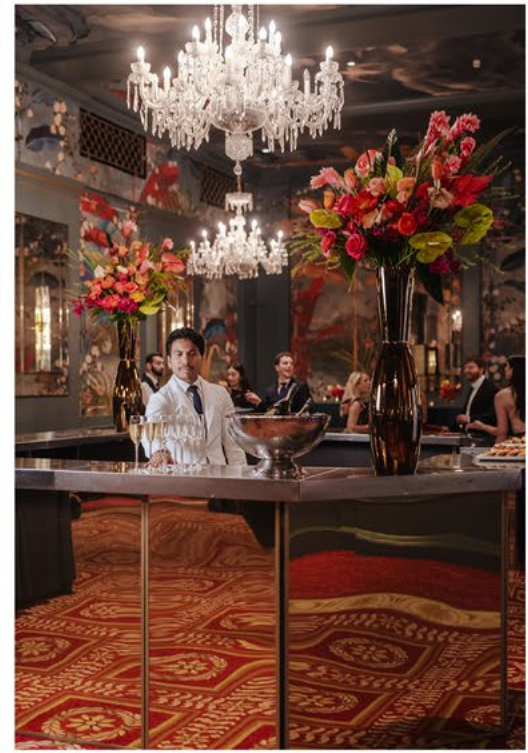

Bold, vibrant, and one of a kind, George V Hall is one of London's most extraordinary event spaces.

Inspired by the intrepid spirit of King George V, a show-stopping floor-to-ceiling wallpaper wraps the entire room, depicting a striking lakeside scene rich with tropical botanicals and creatures from across the globe. This glamorous space makes an impression the moment you walk in and stays with you long after you leave.

Stylish and eccentric, the room's significant size is unique in such a central London location, enhanced by large windows that flood the space with natural light and statement hand-blown Waterford crystal chandeliers.

From cocktail hour to a grand seated dinner, George V Hall accommodates every vision with ease - welcoming up to 140 guests seated, or 200 standing.

The Seamus Heaney Library

A hidden gem in the truest sense, The Seamus Heaney Library is one of The Bloomsbury's most intimate and atmospheric spaces. Named after the Nobel Prize-winning Irish poet, playwright, and translator, and beloved regular guest of the hotel, it is a room with real character and history.

Book-lined walls house hundreds of first editions dating from the 1930s alongside a carefully curated collection of 20th century classics, creating a warm and cultured setting that feels entirely at home in the soul of London.

Seating up to 24 guests and licensed, it is the perfect spot for an intimate ceremony or reception with your closest friends and family.
