108 PANTRY

---

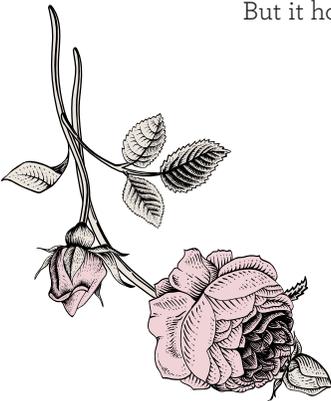

It is only a country garden,  
With flowers sweet and rare,  
Where honey bees hum merrily  
And butterflies are there.

It is only a country garden  
It's near to God they say  
Where you can ponder for a while,  
At the end of every day

It is only a country garden,  
where the sweetest roses grow,  
And the birds are always singing  
From dawn til evenings grow.  
It's just a glimpse of heaven,  
Beneath a sky of blue,  
It's only a country garden,  
But it holds my love, and you

## 108 PANTRY TEAS

---

Choosing the correct teas is vital to delivering our popular Afternoon Tea.

The Rare Tea Company is an independent tea company based in London. Founded in 2004 by Henrietta Lovell it sources and supplies the world's best tea. Henrietta travels the world seeking out tea-gardens crafting the most delicious leaves and buying directly from the farmers. By sourcing direct from farms, she is able to secure unique harvests and ensure that they are crafted using sustainable practices to benefit both the land and the people who live on it.

Some tea selections are very rare, with only a few kilos produced each year. Others can be grown on a larger scale. All of them are crafted by skilled men and women on independent farms, not industrially processed by large agri-businesses.

## BLACK TEA £4

---

The British Afternoon Tea was developed to complement the rich, dark flavors of these leaves. These black teas have been traditionally hand-crafted in small batches with great care to preserve their wonderful subtleties of flavour.

### English Breakfast\*

*Makaibari Estate, Darjeeling, India and Satemwa Estate, Shire Highlands, Malawi*

A traditionally British tea crafted for a unique depth of flavour. This tea combines the light floral nature of a Darjeeling with deeper, maltier notes.

### Earl Grey\*

*Satemwa Estate, Malawi and Reggio Calabria, Italy*

Elegant black tea scented with pure Calabrian bergamot. A clean and exceptionally bright infusion with exhilarating citrus notes.

### 2nd Flush Muscatel Darjeeling

*Makaibari Estate, Darjeeling, India*

This highly fragrant black tea is picked in the foothills of the Himalayas, on one of the oldest and most beautiful estates in Darjeeling.

This tea has a heady floral aroma with soft notes of muscatel grapes.

*\*Please inform us how you would like your English Breakfast or Earl Grey tea (soft, normal or strong) and it will be infused to your particular taste.*

## GREEN TEA £4

---

GREEN TEA has as many subtleties of flavour as the finest of wines. Great skill is required to unlock the flavours hidden in the tea leaf often using traditional methods passed down for thousands of years. The best are elegant and exquisite, worlds away from industrially-made bitter brews.

### China Green Leaf Tea

*Fuding, Fujian Province, China*

The leaves are fired in a wok over charcoal in the same way and in the same place they have been made for over 3000 years. Clean, bright and remarkably delicate.

### Genmaicha

*Shizuoka, Japan*

Moriuchi Sencha with organic Japanese toasted brown rice. Rich, vegetal notes of buttery asparagus, with a popcorn like aroma and flavour from the brown rice.

## WHITE TEA £4

---

WHITE TEA is the least processed of all teas. The young leaves and buds are all picked in spring and simply dried in the warm mountain sunshine. They share very delicate flavours and contain the highest level of antioxidants.

### China White Leaf (White Peony)

*Fuding, Fujian Province, China*

This subtle tea has a gentle sweetness with grassy notes & a delicate hint of apricot.

### Jasmine Silver Tip Tea

*Fuding, Fujian Province, China*

The tea is not flavoured but carefully scented over six consecutive nights with fresh jasmine flowers. A deep and heady aroma with a light and gentle flavour.

## HERBAL INFUSIONS £4 (CAFFEINE FREE)

---

HERBAL TEA is not strictly 'tea' because all tea comes from the leaves of *camellia sinensis*. They are infusions of the leaves and stems of different herbs. These herbal infusions contain no additives or flavourings and are naturally caffeine-free.

### English Chamomile

*Tregothnan Estate, Cornwall, UK*

Grown in a botanical garden on the Tregothnan Estate in Cornwall, these flowers are tenderly picked with delicate blossoms and long stems, which add hay flavours. The aroma is of English summer meadows. These chamomile flowers are extraordinarily sweet, pure and aromatic.

### English Peppermint

*Tregothnan Estate, Cornwall, UK*

A rare English peppermint grown in Cornwall in the 14th century family-run estate. Counter-intuitively, the menthol oils infuse more easily from the dried leaf, giving a brighter, cleaner flavour than fresh mint.

### Lemon Verbena

*Provence, France*

*Aloysia citrodora* or lemon verbena is originally from South America. It was brought to Europe by the Spanish in the 17th Century. A pure herb with a mellow lemon flavour, it makes a wonderful digestive.

### Wild Rooibos

*Cederberg Mountains, South Africa*

The real South African Red Bush. A richly delicious infusion with deep earthy notes, bright red berries and cedar. Can be beautifully enhanced by the addition of honey or maple syrup and a twist of lemon zest.

### Sri Lankan Lemongrass

*Amba Estate, Ravanna Falls*

This uniquely complex and full-bodied lemongrass is grown on a remote mountain tea garden above the Ravanna Falls, Sri Lanka. A rich and exceptionally bright herbal infusion with grassy notes of cut hay and lemon drops.
