ABOUT THE MARYLEBONE

THE LONG ROOM

This chic, contemporary ground floor room makes for an inspiring private event or business meeting. Calming neutral tones are complemented by a palette of soft pink and blue accents. The room can also be divided in two should a smaller space or break-out area be required.

THE COURTYARD

A 73sqm terrace surrounded by a charming garden wall, The Courtyard's retractable roof and open fire make for a cosy, intimate space. A tranquil haven during the day, it comes alive at night as the foliage is lit with sparkling fairy lights. Ideal for drinks receptions, dinners or pre-dinner cocktails, The Courtyard can merge with the interconnecting Blue Room and Library for larger scale events, accommodating up to 150 guests.

THE BLUE ROOM

Bright and airy, with vibrant artwork and statement, Crittall-style windows that make for a light-filled space, The Blue Room is suited in equal measure to business and social events ranging from office away-days to receptions, lunches, and private lunches and dinners. The Blue Room is divisible into smaller spaces, and can be combined with The Courtyard for any event.

THE LIBRARY

The elegant Library's oak panelling is accented by soft green tones and an open fire for a calm, confident feel. With direct access to the equally serene Courtyard, The Library provides a quietly impressive setting for discreet business meetings and intimate social gatherings and celebrations.

NUMBER SIX

Affording views onto some of Marylebone's prettiest period properties, Number Six's floor-to-ceiling windows bring natural light flooding into this glamorous, upscale space. Number Six boasts its own private entrance, bar and elegant lounge, evoking a members' club feel. It can be broken into two smaller areas, while a stylish, heated terrace with monochrome tiles and verdant backdrop provides the perfect calming escape.

By night the bar serves as a stimulating setting for pre-dinner drinks and cocktails, before guests take their seats for dinner in the elegantly lit and alluring Palm Room. There, the glamour, originality and flexibility of the room, paired with fine food, wine and service make for the ultimate occasion.

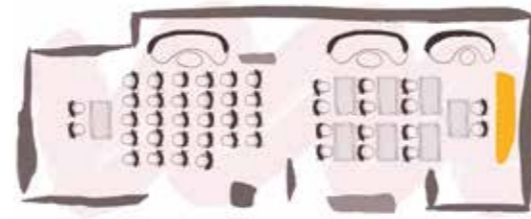

CAPACITIES

Meeting and event spaces can be adapted for a variety of business meetings and social events, from think tanks to conferences, private dinners to fashion shows.

**Please note - Seating capacities and floor plans are reviewed on an event-by-event basis in order to ensure compliance with Government physical distancing guidelines.
