

THE KENSINGTON

LONDON

WINE MENU

Our wine list has been carefully curated to reflect the world's best producers, with a particular focus towards sustainably-farmed wines and also British winemakers.

Our Fine Wines are priced to be enticing and offer fantastic value. In addition our selection features some frequently changing fantastic bottles from superb vintages & world class producers, with incredibly limited stock.

By using the award-winning Coravin system, The Kensington can serve fine wine by the glass without affecting the quality of the wine. The system pours wine without ever pulling the cork, therefore preserving the wine at optimal quality, meaning the final glass tastes just as delicious as the first.

Please note that wine vintages may be subject to change. In accordance with the Weights & Measures Act 1985 wines are sold by the glass measured at 125 ml and Champagne/sparkling wine at 125 ml. Some of our wines may contain sulphites and other allergens - please ask your server for more details. Wine is also available in 175 ml and 250 ml servings. Includes 20% VAT. A discretionary service charge of 12.5% will be added to your bill.
