Boasting stunning private rooms as well as an impressive open-plan area, everything about the innovative meeting and event spaces has been designed to facilitate work, creativity, inspiration and fun, from fresh and invigorating design – think bold geometric patterns, Scandinavian wood panelling and parquet floors – to inspiring views across the city and river.

Superb service is facilitated by THE HUB's very own personal concierge and is complemented by ClickShare & go technology, complimentary highspeed Wi-Fi and delicious menus.

THE HUB

The Hub reception area offers a choice of sociable spaces ranging from the open to the discreet. The living room area has an open fireplace, book-lined seating area, carefully curated artworks and even a “home from home”-style pantry with buffet counter and a central island – making it perfect for informal entertaining, dining and drinks receptions.

THE LOOKOUT

The Lookout is an elegant venue for a range of formal or informal gatherings.

Poised above the fast flowing weir, this glamorous event space boasts a cocktail nook, elegant chevron parquet flooring and a fully covered terrace overlooking the mature trees of the Bishop's Palace and lovely cityscapes.

ABOUT THE DOYLE COLLECTION

The Doyle Collection is a carefully curated collection of eight Irish family-owned luxury and urban hotels located centrally in London, Dublin, Washington DC, Cork and Bristol. Each hotel has a strong identity that is closely connected to its location. What binds our hotels together is the Doyle service ethos - a real warmth and thoughtfulness that stems from being a much loved family business. Our definition of success is for our guests to feel that our hotels are more akin to a home or a private members club – and therefore want to return again and again.
