DOYLE COLLECTION

The Doyle Collection is a carefully curated collection of eight Irish family-owned luxury and urban hotels located centrally in London, Dublin, Washington DC, Cork and Bristol. Each hotel has a strong identity that is closely connected to its location. What binds our hotels together is the Doyle service ethos - a real warmth and thoughtfulness that stems from being a much loved family business.

Our definition of success is for our guests to feel that our hotels are more akin to a home or a private members club - and therefore want to return again and again.
